BUILDING OUR FAITH

Using the DVD Series Symbolon. Part 2 Living The Faith
Next session is Monday June 11th at 7:00 pm in the Parish Meeting Room. **Topic is Catholic Social Teachings Building a Civilization of Love & Protecting the Dignity of the Human Person**
From the beginning of Christianity, the Gospel message has shaped the way people live - socially, economically, politically and culturally. The same Catholic traditions that gave us hospitals, universities and unprecedented care for the poor can help us build a society today in which every person has the opportunity to flourish. "You did it to me." These five words of Jesus remind us of our responsibility to live in solidarity with the most vulnerable in society - whether it be the poor, the suffering or the unborn. For whatever we do to the least, we do unto Christ. Everyone is welcome.
This is our last session until we start in the fall. Topics to be determined.

THE ORCHESTRA NORTH SUMMER PROGRAM returns to Smithers in August 2018! We will be offering a condensed session from August 16-18 in Smithers at Bethel Church and Northwest Community College. Open to wind, brass and string players of all levels, this event brings people together to play in orchestral chamber music settings, and provides numerous opportunities to attend workshops and concerts. Participants will be under the instruction of top-quality faculty and will perform in a concert on Saturday evening, August 18, as part of the Spirit of the North Classical Music Festival. REFLECTION

Patience is being calm and tolerant when difficult things happen. It means showing acceptance that you or others make mistakes. Patience is doing something now so that later it will bear fruit – like planting a seed and waiting for it to grow. At the end of the school year, patience is an important virtue. For life it is too. God answers our prayers in due time.
